**PARENTAL WITNESS STATEMENT**  
**For Those Whose Children Attend Catholic Education Programs**

One of the supreme gifts of marriage is bringing forth new life. God entrusts children to parents who have a primary right and duty to educate their children in the practice of their faith. Parents carry out this responsibility by creating a home full of love, forgiveness, respect, and fidelity. The family is the community in which, from childhood, one honors God and learns moral values.

In the rite of the sacrament of Baptism, parents receive the call from God to evangelize their children.

The Church understands the home to be the domestic church. It is in the intimate environment of the family that parents are, by word and example, the first heralds of the faith with respect to their children. This environment is enhanced and deepened through the parish Eucharistic community that is the heart of the spiritual life for Christian families.

Catholic schools and parish religious education programs are in partnership with the family in proclaiming and witnessing to the person and life of Jesus Christ. They assist parents in fulfilling their responsibility as the primary religious educators of their children.

Aware, then, of the dignity of this holy parental call, and with a reverent awe for that responsibility which is mine, I commit myself to be, in word and deed, the first and best teacher of my children in the faith. Practically, this means I should:

- **Regularly participate in the Sunday Eucharist (if not Catholic, regularly participate in worship and prayer) with my family**
- **Commit to speak more with my children about God and to include prayer in our daily home life**
- **Participate in and cooperate with School or Parish School of Religion programs that enable me as a parent to take an active role in the religious education of my children, including sacramental preparation for Catholic children**
- **Support the moral and social teachings of the Catholic Church to ensure consistency between home and school**
- **Teach my children by word and example to have a love and concern for the needs of others**
- **Meet my financial responsibilities in supporting the Catholic School or Parish School of Religion.**

Dear Parents of **Fourth through Eighth Graders,**

It has always been the practice of the Archdiocese of St. Louis to provide a Human Sexuality Program for the day school students and the PSR students. The series for the PSR is *God's Own Making* published by William H. Sadlier. The program teaches human sexuality in a broad sense. The Catholic Church helps us affirm that we are God's miracles created as male and female and guides us in living with holy respect of this gift. The program will be taught during the month of January. Please sign below to give your permission.

Joyfully in Christ,  
Kathy Joslin
